

Cookies for Santa

What type of Christmas cookies,
would you like to bake?
Cookies and milk,
will help keep Santa awake.

Let's make some icing covered,
gingerbread Christmas trees.
Reindeer ice-cream sandwiches,
will melt if we don't freeze.

A cheerful snowman cookie,
stays warm with a scarf that is red.
With two delicious candy canes,
we could make a cookie sled.

Sparkly sugar-topped snickerdoodles,
will surely cheer up any elf.
We should hide these special treats,
on the very top shelf.

Let's make colourful mittens,
winter hats and Santa's old boots.
We will cut out these cookies,
and add sugary fruits.

Yummy vanilla snowflakes,
and chocolate covered bells.
Santa will enjoy them all,
they're just like magical spells.
