

The Magic of Christmas

The magic of Christmas,
with its timeless joys.
Children await,
exciting new toys.

Many family traditions,
are truly unique.
Grandma will squeeze,
your cute little cheek.

Kids run outside,
and play in the snow.
Their glowing smiles,
they gladly show.

Arts and crafts,
with friends we make.
Delicious cookies,
we help mom bake.

Outside it's often,
cold with a chill.
But in our hearts there's
warmth and goodwill.

The Christmas season,
is magically sweet.
Together we share it,
it's a wonderful treat.
